Notice of Neighbourhood Plan Steering Group Meeting

What is the Neighbourhood Plan?

It's our chance to set out priorities for housing development and use of land in our area in the years to 2030. The community can decide the type and scale of development it believes is appropriate, the needs it should be designed to meet and where it should be located. The adopted plan forms part of the formal process and must be taken into account by the housing developers and planners when schemes are brought forward.

What is the Steering Group?

It is a group of parishioners who have so far volunteered to join the Group and take responsibility for preparing the Neighbourhood Plan with oversight from the Parish Council and assistance from a planning consultant. The draft Plan will in due course need to be approved by Wychavon DC and by the Community in a referendum.

Please come along to the meeting, to learn more about the project, how it will affect you and how you can get involved.
